HONEYWELL TITAN UAC COUPLING REPLACEMENT #2 FAX/EMAIL FORM

This form is to be used to document the TITAN UAC coupling inspection and replacement as outlined in the attached Important Information Notice Update. Please fill out the following information, including the backpack serial numbers and UAC coupling date codes on the following pages. Please print clearly.

Date: _____

Department Name or Company Name:

Contact Name:

Address:

(Must be a physical address; no P.O. Box)

Phone Number: () _____

Honeywell Warranty Service Center (if replacement was performed by them; otherwise write "N.A."):

- Number of Titan UAC couplings inspected but not replaced: _____
- Number of Titan UAC couplings removed, replaced and tested _____

Please fax this form to **Honeywell Respiratory Customer Care** at **(800) 201-4407** or email it to hspca3jefax.cc@honeywell.com, even if you do not have any couplings that fall within the date ranges identified in the Important Information Notice Update. Call **Honeywell Respiratory Customer Care** at **(800) 821-7236** and obtain an RMA number to ship all couplings replaced to: **Honeywell Safety Products, 3001 S. Susan Street, Santa Ana, CA 92704.**

You may use Honeywell's UPS account number **83X446** to ship the couplings back. Please mark the outside of the package with the RMA number you were issued.
